Dear Jeff,

We at the YMCA of the Golden Crescent would like to thank you and your staff for all of your support to our YMCA. Your loyalty to our YMCA and to our community is recognized and greatly appreciated.

Clear Channel – Victoria is by far the most involved visible radio group in our area. Our 8,000 plus members rely on Clear Channel to keep them informed. Clear Channel helps keep our members and community members up to date on YMCA activities.

Clear Channel – Victoria is always willing to put on PSA's we send. They are willing to assist in re-writing as needed and Clear Channel – Victoria provides great feedback on our work. Clear Channel – Victoria gets our message out to the community.

Most importantly, it is the people who make the difference and Mr. Lyon does a great job keeping many of his staff involved in the community, providing a visible presence staying in tune to the needs and expectations of our community. Again, thank you Clear Channel – Victoria for supporting our YMCA. Together we are building strong kids, strong families, and strong communities.

Sincerely,

Randy Grant

To Whom It May Concern:

The Victoria Chamber of Commerce is pleased to be associated with Clear Channel Radio in Victoria, both as a Chamber member, but also as an active volunteer, sponsor and supporter of numerous community and civic activities.

Through the Chamber, Clear Channel touches many businesses and organizations and gets out the word about their great station and the services available in their listening area to the public they serve. The Clear Channel Station not only uses the Chamber as an effective means of communicating its message, but the Manager, Jeff Lyon, through his active participation as a Chamber Board Member and member of various chamber committees and other community groups is able to connect the needs of many different groups and supports the area through PSA's, airtime and excellent advice and support.

Clear Channel participated in two huge Chamber Initiatives in 2004, the FLY HERE campaign and the BUY HERE campaign designed to save our local air service and to help promote and protect area merchants. Clear Channel also supported numerous other events such as the Macaroni Fest – the only community wide festival held in Victoria, which just completed its second successful year in 2003. It could never have happened without the support of our media partner. Clear Channel Radio.

We could not accomplish all that we do without the committed partnership of members such as Clear Channel Radio and their Manager, Jeff Lyon. If you have questions, please feel free to give me a call.

Sincerely,

Phyllis Hunt

Mr. Lyon,

On behalf of the Community Food Bank of Victoria, I would like to thank you for your kind and continuous support of the Food Bank. Your support through food drives, monetary donations, and Public Service Announcements assists the Food Bank in our endeavors to make a difference in the lives of the hungry in Victoria and the surrounding community.

Because of your generosity, the Food Bank was able to distribute 5.6 million pounds of food in the community in 2003! That is 188 eighteen-wheelers of food for families who might have otherwise gone without!

Please know that through your support of the Food Bank, more children will receive nutritious food necessary for healthy growth & development, and more adults will receive the nutrition necessary to remain healthy, active members of the community.

Once again, thank you for your support of the Food Bank and our mission to "Help Heal the Hurt of Hunger," in the community. We are looking forward to a continued partnership in 2004!

Dear Jeff:

On behalf of the staff and students of the Victoria Independent School District, I am extending to you a big THANK YOU for your support of our schools.

Whenever we need a "plug" for an event, your stations are there, ready to help. Your support on our special attendance campaign went well beyond the running of public service announcements and public affairs programming.

We approached you in the Fall of 2002 with a request for help from KIXS, KLUB, and KQVT in promoting our efforts to improve school attendance. Our idea was a throw-back to the old television campaigns of "It's 10 o'clock. Do you know where your children are?" We wanted to bring that top-of-mind message to parents during the daytime, reminding them of the importance of children being in school. We were hoping for a message or two each day, reminding parents that their children should be in school. What we got was incredibly generous support from you and your staff.

Throughout the school year, your stations aired repeated messages during the school day. The message is a simple question: "Are your kids in school today?" The messages were voiced by our own students. James Love traveled to *every* campus in VISD recording students.

I am very confident that the Clear Channel support of the "In VISD, YOU Count" campaign was at least partially responsible for an increase in our VISD attendance rate last year. We look forward to more wonderful collaborations with your stations in the future.

Sincerely,

Dear James:

On behalf of Crossroads Chapter of the American Red Cross, please accept our most heartfelt thanks for all the support your radio stations have extended to us. Your media coverage of our many activities through the years, such as Family Safety Day, Health-A-Rama, Midcoast Hurricane Conference, and our regular CPR/First Aid class schedules (just to name a few!) has been of enormous benefit to the Red Cross and our many communities. Your steady reporting during times of emergencies (floods, hurricanes, and such) has also been of tremendous public service to the areas.

In addition, your PSA's to establish public awareness and give valuable information have been a great boon to our chapter and your steady, willing support is greatly appreciated. We look forward to our continuing "partnership" with you and your stations.

Again, thanks so much for all your assistance. "Thanks" is such a small word; however, it conveys a wealth of gratitude.

Sincerely,

Dear Mr. Love:

The Ninth annual *Stuff the Bus* school supply drive to benefit Victoria's children held Saturday, September 13, 2003 was a success. We collected approximately \$1,800 in cash donations and many school supplies that were donated to V.I.S.D. Kidz Connection. These supplies were distributed to students on a per need basis.

On behalf of the Texas Society of CPAs, Victoria I.S.D., Mid-Coast Family Services, and Crossroads Youth and Family Services, we sincerely appreciate the appearance you allowed us on the morning show. We also appreciate the extensive advertising contributed by your organization. You helped a great number of citizens in Victoria become aware of our important event. Without your support, many children in the area would not have the supplies necessary for a successful school year.

Thank you so much for all your efforts and contributions to the Adopt-A-Beach program and the Texas General Land Office. We sincerely enjoyed working with you and look forward to working together in the future.

Despite the pouring rain, wet shoes, messy hair, and heavy winds, 6,940 volunteers from across the state removed more than 195 tones of trash. We know the direct media coverage provided by you, played an intricate role in bringing these volunteers to the beach. We here at the Texas General Land Office, along with everyone who visits our Texas coast, appreciate all of your help and efforts in spreading the word throughout Texas and keeping our beaches clean and beautiful.

We now begin the long process of writing reports and researching the outreach methods used, in the hopes of making next years Sping cleanup even better. We need your help one more time, and ask that you send in the following information:

- 1 Clips promoting the Adopt-A-Beach cleanup (ie., interviews, mentions on weather forecasts, day of event coverage, etc.)
2. An affidavit of performance for airing of PSAs and an estimated dollar amount of donated time.
- 3 A list of any additional media coverage.
4. Any additional comments, suggestions, or complaints about Adopt-A-Beach outreach programs.

Once again, we thank you for all your help, for your service to the citizens of Texas, and for hundreds of miles of cleaner, more beautiful beaches.

Dear Mr. Love:

Thanks to your generosity, the Texas Adopt-A-Beach fall cleanup was once again a success. We had more than 8,100 volunteers participate on September 20<sup>th</sup> and 27<sup>th</sup>, removing 236 tons of debris from 176 miles of Texas beaches. The annual cleanup held on Saturday, September 20<sup>th</sup>, went on as planned even though it was a rainy, dreary day at most locations coastwide. Several sites in Kleberg and Cameron counties were postponed to the following Saturday due to excessive rainfall and inaccessibility to the cleanup site locations.

I was pleased to see so many volunteers join me at Galveston Island on September 20<sup>th</sup> despite the weather. It's nice to know so many Texans care about our coast. Thank you for doing your part in raising awareness of the importance of clean beaches and increasing attendance at the beach cleanups.

I look forward to working with you again on the annual spring cleanup, Saturday, April 24, 2004. If there is anything my staff or I can do for you, please do not hesitate to call on our toll-free line, 1-877-TXCOAST (892-6278).

Dear Traffic Safety Partner:

As we approach the season for Thanksgiving, we are grateful for the support your radio station has given to the Texas Department of Transportation's *On the Road in Texas* news features program.

Please accept this plaque as a small token of our appreciation for your help and support in making Texas streets and highways safer. Every year more than 3,000 people die and 300,000 are injured in traffic crashes in Texas. Your participation as an *On the Road in Texas* community partner is helping to reduce that number by keeping your listeners informed about traffic safety laws and providing a steady stream of reminders to take care on Texas roadways.

The air time that you generously donate every week is a valuable and indispensable part of our efforts to promote traffic safety.

Thank you for your ongoing participation in the Lone Star Radio Network and the public service you provide to your community.

The Texas Department of Transportation and all of us working on *On the Road in Texas* extend our special thanks.

Best regards,

Bob Buckalew, Director

Dear Sir:

Thanks to all of you for your support during this year's Tony Borowicz Memorial Blood Drive. Our blood drive was a success because of caring people like you.

Over 555 units of blood were received this year and this allowed us to help people in our area that were in great need.

Thanks again for your generosity and we look forward to being able to work with you again next year.

Sincerely,

Dear Mr. Love:

Thanks to your generosity, the Texas Adopt-A-Beach spring cleanup was once again a success. We had more than 8,200 volunteers participate on April 26, 2003, removing 272 tons of debris from 182 miles of Texas beaches.

I was pleased to see so many volunteers join me at McFaddin Beach on a Saturday morning. It's nice to know that Texans care what happens to our coast. Thank you for your part in raising awareness of the importance of clean beaches and increasing attendance at the beach cleanups.

I look forward to working with you again on the International Coastal Cleanup, Saturday, September 20, 2003. If there is anything my staff or I can do for you, please do not hesitate to call on our toll-free line, 1-877-TXCOAST (892-6278).

Sincerely,

Mr. Dove,

3/4/03

I wanted to take this opportunity to thank you for coming to speak to my class last month. I enjoyed it and the kids did too (no, really, they did). It's harder than we would think to find a guest speaker who doesn't either go way over the students' heads or talk down to them. I would like to have you back one day if your schedule permits. Anyway, thanks again for your time.

Respectfully yours,  
Quin Tyler

Many thanks to so many of you who featured public service announcements or bulletin board announcements about Household Hazardous Waste Day. The event was a success, bringing in more waste and recyclables than ever before. Without you, this success would not have been possible!

My sincere appreciation!
